

Marka aan diyaar ahay, ku dhawaad 9 ama 10 bil, waxaan bilaabi karaa in aan nafteyda quudiyo! Waxaan bartaa sida loo isticmaalo suulkeyga iyo faraha si aan u soo qabsado waxyaabaha yaryar.

Ku bilow gabal gabal aad uyarr oo ah raashin jilicsan.

Waxaad i siisaa ku celcelin badan aniga oo quudiya nafteyda. Aan taabto kuna cayaaro raashinkena. Waan is-wasakheyaa marka aan wax cuno. Tani waa sida aan wax u barto!

Waxaad i siisaa in yar raashin. Calosheyda waa yar tahay. Aan go'aan ka gaaro inta aan cuno. Waan ogsoonahay marka aan baahanahay.

Aan isku dayo raashin kala duwan. Haddii aanan ka helin shay marka kowaad, ha ka walwalin. Waxaad i siisaa in yar marka xiga.

Ha i siinin raashin laga yaabo in aan ku margado, sida hilibka duuban, looska, miraha, daangada, bataatada shiilan, canabka, sabiibka, khudaarta ceyriinka, raashinkayga, gabal gabalka hilibka, iyo nacnaca.

DOH 961-1001 May 2014 Somali
Dadka italka darran, waxay heli karaan warqadaan oo ku qoran qaabab kale kaddib marka la codsado. Si aad gudbisid codsi, fadlan wac 1-800-841-1410 (TDD/TTY 711).

Barnaamijka Nafaqada WIC ee Gobolka Washington (Washington State WIC Nutrition Program) ma sameeyo takoor. Daabacaadaan waxaa laga soo qaataj Barnaamijka WIC ee California (California WIC Program). Hay'addaan waxay bixisa fursado siman.

Washington State WIC Nutrition Program

Dib loo daabaco marka la haysto ruqsad.

raashinka faraha

Halkaan waxaad ka heli doontaa qaar ka mid ah xulashooyinka caafimaadka qaba ee leygu talogalay!
Waxaad i siisaa hal ama labo qaadada miiska.
Aan weydiisto in badan.
